Course Outline & Content

Each morning will begin with a led Rocket practice with Marcus and Hannah, followed by lecture and discussion on the psychology of music and how this should be considered when choosing how you use it. We will consider:

- What are you trying to achieve with your music?
- How does music affect the way you move your body?

- How does it affect flow state?
- How does it affect emotional states?
- Matching music to the energetic shape of a sequence
- Breathing and BPM
- Importance of beat
- Importance of tempo

Each afternoon will be practical tutorials with Ableton specialist, Flaminia Agrimi, on how to operate DJ software – all students will be given a free 90 day trial of Ableton.
